

State of New Hampshire
Department Of Education
2013-14 Private and Nonprofit Schools
Eligible for Services from Title IIA, III and IV

Each LEA or consortium must consult with private school officials regarding the development and implementation of the Title IIA, III and IV programs. This must be carried out before making any decision which effects the opportunities of private school teachers and students to participate in these programs. In addition, each LEA or consortium shall provide services and arrangements for the benefit of the children/teachers to ensure their equitable participation in the purposes and benefits of Title IIA, III and IV. The following enrollment of private schools is as of October 1, 2012. The following schools are eligible to participate and must be involved in the preparation and implementation of the project application submitted by the district identified as followed:
